# MARK JUNGERS: ONE FOR THE CROW

"Mark Jungers writes and sings about the type of human condition that is the true reason this country is able to stay on the course of greatness. He's got grease on his hands and dirt and blood on his shirt. He connects. And that is what music is supposed to do. If you have listeners that actually have to work for a living, One for the Crow is for them. Grab a shovel and dig. Mark does."

- Mattson Rainer, KNBT Radio, New Braunfels, TX

"Imagine Neil Young with a sense of humor or Jay Farrar on anti-depressants...welcome to the world of Mark Jungers, my favorite songwriter."

- Jeremy Halliburton, KTXN, Victoria, TX

"Well, there's not a wasted track on this disc. I'll be having fun with this on Folkways for months to come."

- David Obermann, KUT, Austin, TX

"...it's a really damn good record."

-Richard Skanse, editor, Texas Music Magazine
